Subject: Cultural Resources Concurrence Request, Utah Minerals Recovery, LLC., Knolls Facility Project, S/045/0083, Tooele County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from Utah Minerals recovery, LLC. to conduct small mining operations in Sections 14 and 15, Township 1 South, Range 13 West, Tooele County, Utah. The proposed disturbed area was previously disturbed by mining operations, and no cultural resources survey was conducted.

Because of the previously disturbed nature of the site, the Division has determined there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker  
Minerals Program Manager
